

Clean Water Fund

Wish List

Offices in Long Branch and Montclair, NJ. www.cleanwater.org/nj

Clean Water Fund's mission is to develop strong community-based environmental leadership and to bring together diverse constituencies to work cooperatively for sensible solutions that address public health, environmental/justice, consumer and community problems. To that end, Clean Water Fund has helped people campaign successfully for cleaner, safer water, air, and energy; protection from toxic pollution in our homes, neighborhoods and workplaces; promote waste reduction, sustainability, stop the sprawl and climate mitigation/resiliency measures; conservation of natural resources, as well as make the democratic process more accessible to those most affected.
