Impact 100 Jersey Coast offers several opportunities to volunteer and make your individual impact within the organization.

Please indicate your interest in any of the following:

- Grant Review/Focus Area Committees (FACs):** Participating in our grant review process is a great experience and an integral part of Impact 100. Serving on an FAC involves reading and evaluating grant applications, attending site visits and ultimately selecting the finalists who will present at our Annual Meeting. FAC membership requires you to attend a training night, commit to reviewing grant applications, attend up to 4 FAC meetings and participate in site visits.
- Organizational Finance:** Assist with monthly accounting and budget planning
- Non-Profit Financial Review:** Assist with evaluating the financials of our nonprofit grant applicants
- Communications:** The Communications team is responsible for promoting and increasing awareness of Impact 100 Jersey Coast to both current and prospective members, local nonprofits, and the greater community. We are looking for creative women to help in the following areas:
 - Graphic Design**
 - Photography or Videography**
 - General Marketing Materials**
 - Newsletter**
 - Press Relations**
 - Website Maintenance or Design**
 - Social Media Content Development**
- Sponsor Relations:** The Sponsorship team is responsible for developing and maintaining relationships with companies that support Impact 100--a great fit for women with professional sales and/or service experience.
- Technology:** Support with our grant application software, donor database or marketing email platforms.
- Membership:** The Membership team oversees member enrollment and renewal. We are always looking for help with informational gatherings and other recruiting activities.

Please share information related to your experience, interests and skills.

We welcome any immediate questions you may have as well.
