

Court Appointed Special Advocates for Children of Monmouth County (“CASA”) Wish List 2019

Court Appointed Special Advocates for Children of Monmouth County (“CASA”) is a strong voice for the foster children of Monmouth County who have been removed from their homes due to extreme parental abuse, neglect and/or abandonment. CASA recruits, trains and supervises community volunteers to be advocates and champions for each child. CASA volunteers then work to ensure that needed services and assistance are provided to help move each child toward a safe and permanent home.
