

LADACIN Network Wish List 2019

The mission of LADACIN Network, a non-profit Agency, is to provide a continuum of care, including educational, therapeutic, social, residential and support services to infants, children and adults with complex physical and developmental disabilities or delays. LADACIN provides a lifetime of continuing services to clients and their families, improving their living conditions and mobilizing human and financial resources to accomplish the purposes of the organization.

The Agency seeks to help individuals with significant physical and medical needs such as cerebral palsy and other physical and developmental disabilities and delays to reach their fullest potential and highest level of independence in an integrated community.
