

Two River Theater Wish List 2019

SEMI FINALIST

Two River Theater is committed to creating Great American Theater by developing and producing new works along with world masterpieces that richly direct our gaze to the life of the human spirit. We produce up to eight theatrical shows each year; a robust education program that serves all ages; and an audience engagement program, Inside Two River, through which we offer 40+ community events at our two-theater complex and around Monmouth County. Each year, we serve thousands of students and community members through arts and humanities programs at the theater, in schools, and throughout our region.
