WHO WE ARE

We are women of different ages and backgrounds who combine our charitable dollars, experience, and energy to make a tangible difference in our area. Impact Jersey Coast is part of a growing international movement that empowers women to fund transformational changes in our local communities.

OUR GOAL

We will create a forum to raise awareness of our community’s most pressing needs and fund transformational grants for high-impact projects addressing those needs. We will also strengthen and expand our giving circle to encompass the richness of ideas, perspectives, and the participation of diverse women from a wide range of identities.

HOW IMPACT WORKS

1. Gather a Collective of Women
2. Each Woman Donates $100
3. Local Nonprofits Submit Applications for High-Impact Projects
4. Committees Review Applications, Perform Site Visits and Choose Finalists
5. Finalists Present Projects and Members Vote
6. Impact 100 Grant(s) Awarded
7. Grant Recipients Provide Periodic Progress Updates to Members

In these pages, we want to share some of the highlights of our year together at Impact Jersey Coast and relay our gratitude to the numerous people who have contributed to our collective success.

When looking back on 2020, it feels impossible to say anything that hasn’t been said. In a world that has changed so much, though, the how of Impact may have changed but not the why.

When the pandemic hit in early March, we found ourselves at the close of our membership drive facing an abrupt cancelation to our public recruiting events. At a time of great uncertainty, there was one thing we knew for sure: our grants would be needed more than ever. As always, the women of Impact stood ready to help. On March 15, 2020, we closed our membership drive at an all-time high of 456 women.

With the leadership of our capable Grants Team, we were able to quickly pivot our grant application and review process to an entirely virtual one and, ultimately, to welcome four new projects into the Impact family, which you will read more about in the pages that follow.

And thanks to a vote by our members and careful stewardship of our operating budget, we were also able to make a one-time contribution of $17,650 to the NJ Pandemic Relief Fund. We are proud to share some updates here on the critical work that NJPRF is doing to help our state on the road to recovery in the wake of the pandemic.

Like everything else about this year, our 2020 Annual Meeting looked very different. But again, how we gathered changed—not the why. Thanks to our adaptable Events Team and the steadfast support of our community partners and sponsors, our first virtual gathering was a tremendous success, with nearly 400 participants! The event was a bright spot in a dark time, and reminded us that great things can happen when women unite to make an impact.

2020 marked five years since Impact Jersey Coast was founded—and what an amazing journey it has been: five years, hundreds of members, and over $1.6 million deployed to 14 local nonprofits. We are humbled and thrilled by how profoundly this giving model has resonated with women in our community.

We now stand at a clear inflection point in our story. What’s ahead isn’t exactly uncharted territory. We have a strong model to guide us. But remember: that’s just the how. In this next chapter, we must continue to attend to the why, and to ask ourselves who we wish to be as we grow and evolve together. As a collective, we are only as strong as our membership as well as our applicants. Only when we bring the widest possible range of vantage points and voices to the conversation—and learn to truly listen and learn from one another—can we be innovative, intentional, and impactful.

It has been our privilege to lead this organization through this first stage of what we hope will be a long journey. To ensure the future health of Impact we welcome new voices, new leaders, and new perspectives. We are excited to write the next chapter of our story together!

We have much to be proud of and hopeful for as we launch into 2021. Thank you for your continued support and for all you do to make us Impact Strong!

We are proud to have collectively awarded $1.6 million in grants to date in our local community and to have funded all five of our focus areas. Despite the pandemic, we were able to award four grants of $114,000 in 2020 to fund high-impact projects, all of which are detailed in these pages.

We are immensely grateful to the many Impact volunteers, particularly those on our grants team and five grant review committees, for their dedication to our grant process during such a challenging year. Our deepest thanks goes to the nonprofit heroes who continue to meet huge demand for services during these tumultuous and uncertain times.

We are committed to helping our nonprofit community remain #ImpactStrong. And while the future is uncertain, our unity of purpose has never been in doubt. One woman can make a difference... but a group of women WILL make an Impact!

FACING CRISIS IN COMMUNITY: PANDEMIC 2020

When the pandemic hit, Impact members mobilized. Our Impact community remained—and continues to remain—strong in our mission to support local nonprofits. Here’s an overview of our multitiered response to the crisis in 2020.

OFFERED FLEXIBILITY TO OUR CURRENT GRANTEES
so they could use our funds in the most relevant and responsive way to meet the challenges of the pandemic.

SHARED COVID-19 SPECIFIC WISHLISTS
so members looking for ways to help in the immediate response could donate or purchase urgently needed items.

BROADENED OUR GRANTMAKING PROCESS
to acknowledge that nonprofits may have unforeseen costs due to COVID-19.

QUICKLY PIVOTED TO VIRTUAL
to keep our members connected and our grants application and review process running smoothly, including our nonprofit training sessions, grant review meetings, and our applicant site visits.

JOINED THE STATEWIDE RELIEF EFFORT
by offering members the opportunity to redirect a portion of their membership fee to the NJ Pandemic Relief Fund. This allowed Impact Jersey Coast to make a collective donation of $17,650 to the NJPRF in April 2020.

Thank you to our all our members—past and present—for making our grantmaking possible. We are proud to present in the pages ahead an overview of the incredible impact we have made together in our first 5 years and to welcome our 2020 Grantees to the Impact family. We hope you are inspired to continue your impact and share these stories of hope and resilience with others in your community... and to join us as we write the next chapter in the story of Impact Jersey Coast.
In five years, Impact Jersey Coast has awarded more than $1.6 million to 14 local organizations. We seek to fund projects that address unmet needs, reach underserved populations, and have a high impact on beneficiaries.

2020 GRANT RECIPIENTS

ASLAN YOUTH MINISTRIES
Education

THE PROJECT: The hiring of a Director of Volunteers will enable recruitment and training of a new generation of Aslan volunteers - mentors, teachers & life-coaches - for the children in our care. There will be an immediate impact on those children hurt by the learning loss caused by the pandemic. Our goal for our one-on-one tutoring program is to, within 3 years, double the number of students we reach. Our Director of Volunteers will also greatly impact the 140 students in our Right Choices character development classes, thereby continuing our work to close the achievement gap in underserved communities.

HABcore, Inc.
Children & Families

THE PROJECT: The Independence Pathways (IP) Program combines affordable housing with coordinated services to assist individuals and families struggling with chronic physical and mental health issues to maintain stable housing and receive appropriate support and employment services.

MONMOUTH MUSEUM
Arts & Culture

THE PROJECT: Making Art Possible (MAP) will bring personalized art programming consistently to people with special needs, providing therapeutic benefits during uncertain times. Customized art kits will be delivered to participants’ homes, and workshops will be taught online. At the end of twelve months, the program will be recognized with a community-based gallery exhibit, building confidence and breaking down societal perceptions of people with disabilities by showcasing their abilities and creativity in a public setting.

FULFILL
Health & Wellness

THE PROJECT: Addressing Child Hunger will provide 88,000 meals for at least 450 children at risk of hunger in Monmouth County by allowing them to participate in the Kids Café, which provides daily afterschool hot meals and homework help; the Backpack Program, which provides children with weekend meals; or to receive meals as needed whenever children encounter pandemic-related barriers to participation in other vital feeding programs.
SPOTLIGHT ON SCHOLARSHIPS

In 2019, the Impact Scholarship Program was born. This program was created to attract women who have the talent, passion and skills to contribute to our organization — but lack the financial resources for traditional membership.

Over the course of the last two years, we have offered full ($1,100) and partial ($550) scholarships for membership. We have publicized the program via our newsletters, social media, and during recruitment events. Interested women complete an online application leading up to the March deadline. Our Impact Scholarship Committee, appointed by the Advisory Group, carefully evaluates all the applicants using a rubric based on key attributes of value to Impact. The process is objective, merit-based, and one that is designed to attract women of all backgrounds to Impact. Scholarships are awarded for a one-year term, and previous scholarship applicants are eligible to reapply for a partial ($550) scholarship. (Please note: scholarships can only be granted for a maximum of two years to any one recipient.)

In 2020, we were delighted to welcome 18 scholarship recipients, all of whom are volunteering in various capacities within our organization. This brings our total number of scholarships since inception of the program to 29.

We are happy to announce we will be continuing the program in 2021. We are extremely grateful to our many supporters. They enable us to invest in women who will enhance our membership while simultaneously growing our 2021 Impact Grant Fund, which will be directly reinvested in our nonprofit community via our grantmaking.

MEMBER TESTIMONIALS

""
If you want to be a part of something remarkable, share the experience with other like-minded women, change the lives of people in our area and have a voice in directing where the money goes — join! It’s a pretty compelling argument!
- ROSE A.

""
I got back as much as I gave. I actually experienced a lot of personal growth — I’d never sat on a grant committee before and it was challenging. But it gave me the confidence to know that I can do things that are totally different and outside of my comfort zone.
- CHRISTINA Z.

""
I decided this is something that has all of the right elements – philanthropy, a direct impact on the community, the power of women pooling their money together – yet it felt intimate.
- JUDIE S.

""
It’s a simple model. It’s very clear where the funds are going, who is benefitting and how the funds are being used. There’s no ambiguity. And it’s local in YOUR community. These are organizations I could walk to – they’re literally in my backyard.
- EILEEN G.

#### FOOTNOTES

General: Our fiscal year runs from April 1 thru March 31. Expenses listed do not include non-cash amounts that have been generously donated in-kind by our members and other Friends of Impact.

(1) Increase in Other Contributions in 2020 includes proceeds from one-time Salt Creek Grille fundraising event in April 2019.

(2) Includes any membership contributions over $1,100.

(3) Includes $3,000 for runners-up grants, funded by Sponsorships.

(4) FY 2020 includes costs of 2019 annual meeting; increase over prior year due to increased number of attendees and new venue required to hold larger group.

(5) Includes member events in 2019 such as the Membership Reception and the Summer Soiree, as well as printing & materials for events.

(6) With the help of funds generated from the Salt Creek event, our scholarship program covered the following scholarships in 2019: 10 full 7 partial and in 2020: 11 full 7 partial.

(7) Expense to produce videos to update our membership, as well as the public, on the impact of our funding. Revenue amounts included in “Other Contributions” (line 11) were allocated by a sponsor to cover the video production expense.

(8) 2020 expenses includes marketing consultant fees to help with strategic communications as well as stipends for attendance at the 2019 Global Impact 100 conference by advisory group members.

(9) CFNJ fee includes tax filings, insurance, use of grant management software, etc. Year-over-year change reflects contractual fund fee increase from 2% to 3%. Fees are applied to all proceeds processed by the CFNJ.
